## ALL300RM

Say goodbye to dangerous ladders and expensive cleaning services with this 300lb residential grade, remote installation light lift! Change the bulbs and maintain the luster of your hard-to-reach light fixture with just the turn of a key.

Aladdin Light Lift has an easily installed, motorized lift for any home or business.

Aladdin Light Lifts are patented, UL listed, and rigorously tested for years of trouble-free operation. Contact your local lighting and electrical store or use our [dealer locator](http://www.aladdinlightlift.com/dealer-locator/) (<http://www.aladdinlightlift.com/dealer-locator/>)!
