

## OVERVIEW **Brady IP Series R4300 Printer Ribbon**

IP-Enabled ribbons come spooled on a specially designed core that includes a Smart Cell RFID tag that communicates with the Brady IP® industrial label printer.

- One-color ribbon for printing a single color onto a label
- R4300 Series Ribbons offers strong environmental resistance against smearing and chemicals when printed on the appropriate Brady® label material
- Recommended for printing on paper and films that have a matte or rough surface, such as B-427 Self-Laminating Vinyl and B-499 Nylon Cloth from Brady®
- The Brady IP® industrial label printer status monitor shows the printer and material information on the user's PC
