MSRP : **\$129.99**

Product Description

150 Watt temporary light string with 14/2 cord gauge and 10 lamp holders. Temporary job site lighting for general, commercial, and industrial construction. 10 plastic open guards that are pre-assembled onto the molded sockets. Molded male plug on one end reduces installation time. Metal socket hooks are included in the packaging for flexible installation and hanging options. Lightweight design with guards pre-attached onto molded sockets. Plastic construction. Accommodates bulbs up to 150 watts. UL listed and complies with OSHA and NEC specifications. 100' cord.
