

50" Pro Series II

CF711WW

Appliance White Finish

Appliance White / Bleached Oak Blades
Alabaster Swirl Glass

From the pre-attached 4-way light fixture with snap-on glass to the easy to align Precision-Lock™ blade arms. The 50" Pro Series II fan is easier and faster than ever to install. This fan delivers maximum comfort and value and is available in many popular housing finishes with traditional styling. With these added "Quik Install" features, this fan is a genuine time saver.

Features:

- 50" blade span with 12° blade pitch
- Slip-on mounting bracket
- Snap-on glass for easy installation
- Light fixture uses four 13-watt medium base compact fluorescent bulbs (included)
- Precision-Lock™ blade arms make for quick and easy alignment of blades
- Dual mounting for close to the ceiling or downrod installation
- Removable light fixture can be replaced with extra switch cover if desired
- 4.5" downrod included
