6000 Series Portable Power Outlet Boxes

Check up to five results to perform an action.

BOX WITH COVER PLATES INCLUDED

Available in YELLOW/BLUE and All BLACK

- Rugged and durable, these outlet boxes are engineered to provide protection against electric shock while using portable power cords
- Molded of thermoplastic elastomer (TPE) these non-conductive boxes are crush proof and resistant to jobsite oils
- High-visibility dual-color safety system for easy identification on the jobsite
- Cover plates and clamps are molded of impact resistant nylon and resistant to jobsite oils
- Built-in TPE cord entrance seals out dirt, dust and other contaminants
- Accommodates wide range of devices
- Extra-deep box provides additional wiring space - perfect for use up to #12/3 cord
- Available as pendant and feed-through boxes
- Available with a wide range of cover plates and a full range of replacement parts

Also available in BLACK - see detail listing for part numbers
