

# Definite Purpose Controls

## Full Voltage Contactors

### CR453A, CR353

Standard  
Accessories  
25A-40A

#### Remote Electrical Reset for RT1 Overload Relays

| Voltage 50/60 Hz AC/DC | Product Number | List Price<br>GO-10C2 |
|------------------------|----------------|-----------------------|
| 12                     | RTXRRB         | \$55.00               |
| 24                     | RTXRRD         | \$55.00               |
| 48                     | RTXRRG         | \$55.00               |
| 110-120                | RTXRRJ         | \$55.00               |
| 220-240                | RTXRRN         | \$55.00               |
| 380-415                | RTXRRU         | \$55.00               |
| 440-480                | RTXRRX         | \$55.00               |

Remote Electrical Reset

#### Overload Base Adapter Panel Mount

| Product Number | List Price<br>GO-10C2 |
|----------------|-----------------------|
| RTXP           | \$12.00               |

#### Enclosure Kits NEMA Type 1

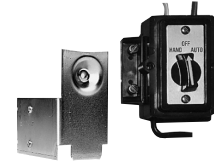

| Contactor Prefix | Device              | Rating            | Product Number | List Price<br>GO-10DP |
|------------------|---------------------|-------------------|----------------|-----------------------|
| CR453            | Contactors/Starters | 25A-40A, 1-3 pole | CR453XE1A      | \$42.00               |
| CR353            | Contactors          | 25A-40A, 4-pole   | CR353XE1BB     | \$42.00               |
|                  |                     | 50A-60A, 3-pole   |                |                       |
| CR353            | Contactors          | 75A-90A           | CR353XE1BC     | \$60.00               |
| CR354            | Starters            | 50A               | CR353XE1AA     | \$48.00               |

Start/Stop Push Button

#### Accessories for CR453XE1A Enclosure

| Enclosure Accessory Type  | Product Number      | List Price<br>GO-10C2 |
|---|---------------------|-----------------------|
| Start/Stop Push Button Without Light                                | CLXP1B              | \$39.00               |
| Start/Stop Push Button With Light—115 V                             | CLXP1C              | \$112.00              |
| Start/Stop Push Button With Light—230 V                             | CLXP2C              | \$112.00              |
| Start/Stop Push Button With Light—460 V                             | CLXP3C              | \$112.00              |
| Start/Stop Push Button With Light—575 V                             | CLXP1C4             | \$112.00              |
| H-O-A Switch  | CLXP1D              | \$39.00               |
| On-off Switch   | CLXP1E              | \$39.00               |
| Red Indicating Light (For use with H-O-A or ON/OFF selector switch) | CLXP1F <sup>1</sup> | \$67.00               |
| Reset Kit (For starter enclosure)                                   | CLXR11              | \$8.00                |

H-O-A Switch

<sup>1</sup>Each kit has three resistors allowing light to be used with all voltages 110 through 600.

#### Pneumatic Timers for CR453A Series

| Type           | Time Range     | Contacts  | Product Number | List Price<br>GO-10C2 |
|----------------|----------------|-----------|----------------|-----------------------|
| Time Delay On  | 0.1-30 seconds | 1 NO-1 NC | BTLF30C        | \$120.00              |
| Time Delay On  | 1-60 seconds   | 1 NO-1 NC | BTLF60C        | \$120.00              |
| Time Delay Off | 0.1-30 seconds | 1 NO-1 NC | BTLF30D        | \$120.00              |
| Time Delay Off | 1-60 seconds   | 1 NO-1 NC | BTLF60D        | \$120.00              |

#### Surge Suppressors

| Type     | Voltage        | Product Number | List Price<br>GO-10C2 |
|----------|----------------|----------------|-----------------------|
| RC       | 24-48 VAC      | BSLR2G         | \$24.00               |
| RC       | 50-127 VAC     | BSLR2K         | \$24.00               |
| RC       | 130-240 VAC    | BSLR2R         | \$24.00               |
| Diode    | 12-600 VAC     | BSLDZ          | \$24.00               |
| Varistor | 24-48 VAC/DC   | BSLV3G         | \$24.00               |
| Varistor | 50-127 VAC/DC  | BSLV3K         | \$24.00               |
| Varistor | 130-250 VAC/DC | BSLV3R         | \$24.00               |
| Varistor | 380-500 VAC/DC | BSLV3U         | \$24.00               |

On-Off Switch

#### Mechanical Latch Block for CR453A Series

| Release Voltage | Product Number | List Price<br>GO-10C2 |
|-----------------|----------------|-----------------------|
| 24-32 VAC/DC    | RMLFD          | \$70.00               |
| 42-48 VAC/DC    | RMLFG          | \$70.00               |
| 110-125 VAC/DC  | RMLFJ          | \$70.00               |
| 208-277 VAC/DC  | RMLFN          | \$70.00               |
| 380-480 VAC/DC  | RMLFU          | \$70.00               |
| 500-600 VAC/DC  | RMLFY          | \$70.00               |

Reset Kit for Starter Enclosure
