Lighting Contactors
CR463L
Electrically Held Contactors
CR463L - 30A (2-12 pole)
Standard Assembled Forms

Product Number Selection Instructions

Replace * in the product number with the appropriate digits from the Coil Voltage table. The resulting product number will be for an assembled contactor with no additional auxiliary contacts, pilot devices, pilot lights, control circuit fuses or CPTs. There is no list price adder for Coil Selection.

For modified assembled forms with those modifications, see pages 11 and 12.

—Items listed here are the most common pole configurations.
—Poles may be reconfigured by the user into alternative combinations of NO and NC contacts.
—All configurations are available as factory-assembled forms.
