

## Catalog No. EVWSWBC

**Description: WATTSTATION WALL BLACK CORDED**

**UPC No 783164476262**

**Products > Electrical Vehicle > Charging Stations > WattStation™**

The WattStation has a wide variety of features that make it reliable and beneficial to users in many different contexts.

- Sleek and modern design.
- Wall mounted application.
- The cord wraps conveniently around the unit keeping it organized and off of the ground.
- Features a NEMA 3R plastic exterior.
- Option for hard wired unit or plug-in unit.
- A power button allows the user to completely shut off power to the charging station, resulting in zero energy consumption.
- A green backlit charging icon will illuminate to signal that the vehicle is charging, and a red backlit icon illuminates to signal a fault has been detected.
- An LED light surrounds the connector inlet and will illuminate white when the charging station is powered on.
- Mounting brackets are designed for extremely easy install.
- An enclosure lock is featured on the mounting brackets to prevent unwanted removal of the enclosure from the wall.
- Nuisance tripping avoidance and auto re-closure.
- Vehicle Ground monitoring circuit.
- NEMA 6-50P Plug.
- cETL listed.
- ETL listed.
