**Description: R-FUSE KIT 60A**

**UPC No 783164331790**

**Products > Switches & Disconnects > Disconnect & Safety Switches > Safety Switches >**

**Accessories**

Safety Switches. Accessories. Spec-Setter™ Safety Switches. Class R Fuse Kit—Field Installable Type TG, UL Listed. When specifications permit only Class R fuses to be used, these kits may be installed in the safety switch to deter fuses other than Class R from being installed. Kits for 30 or 60A switches incorporate replacement fuse clips. Kits for 100-200A switches incorporate rejection pins that assemble to the standard fuse clips.
