## Trenton - Outdoor Post Mt 3Lt

9951BK

Outdoor Post Mt 3Lt

**Dia./Width:** 13.0 IN

**Body Height:** 29.25 IN

Utilizing classic design elements from colonial America, the Trenton Collection offers timeless design for today's aesthetic. Our striking Black finish helps recreate the look and feel of fixtures formed by blacksmiths hundreds of years ago. Skilled artisans re-create these handcrafted works of art from high quality cast aluminum with clear beveled glass panels to ensure the Trenton will last for years. This 3-light outdoor post lantern adds a dramatic touch to the landscape outside your home. It measures 30" high, uses 60-watt (max.) bulbs for everyday use, and is U.L. listed for wet locations. Post Not Included.

## Technical Information
