9" High-Leverage Side-Cutting Pliers

- **Custom US-made tool steel**
- **Induction hardened** cutting knives for long life.
- **Unique handle tempering** helps absorb the "snap" when cutting wire.
- **"Handform" handles** for full gripping and cutting power.
- **Precision-hardened plier head** for on-the-job toughness.
- **Sure-gripping** cross-hatched knurled jaws.
- **Plastic-dipped handles*** for comfort and ease of identification.
- **2000 Series** pliers available to cut ACSR, screws, nails and most hardened wire.
- **Journeyman™** style available for some models. The state-of-the-art, dual-material handles provide a better grip without sacrificing tool strength or durability.
- **High-leverage design.** Rivet is closer to the cutting edge for 46% greater cutting and gripping power than other plier designs.
- **Streamlined design** with sure-gripping, cross-hatched knurled jaws.

| Cat. No. | Handle Color | Handle Finish | Jaw Length | Jaw Thickness | Jaw Width | Knife Length | Nose Type | Overall Length | Weight (lbs.) |
|----------|--------------|----------------|------------------|---------------|----------------|----------------|----------------|-----------------|---------------|
| 92904 | dark blue | plastic-dipped | 1-19/32" (41) | 5/8" (16) | 1-1/4" (32) | 25/32" (20) | New England | 9-3/8" (238) | 1.14 |

All dimensions are in inches and (millimeters) except where indicated.
