

6" Standard Long-Nose Pliers

- **Custom US-made tool steel.**
- **Hot-riveted joint** ensures smooth action and no handle wobble.
- **Slim head design** for working in confined areas.
- **Plastic-dipped handles*** for comfort and ease of identification.
- ***Journeyman™ pliers available for some styles.**
State-of-the-art, dual-material handles, which provide a better grip without sacrificing tool strength or durability.
- **Knurled jaws** for sure wrapping and looping.
- **Curved handles** provide greater tool control.
