32-Piece Standard Tip Bit Set

Cat. No. 32526

Product Features

Durable PVC black block allows for easy storage of standard bits. Block slides over most screwdriver shafts for easy bit access and storage.

Industrial strength, heat-treated steel bits for long-lasting use. Hex bits included: 5/64", 3/32", 7/64", 1/8", 9/64", 5/32" and 3/16

Phillips bits included: #0, #1, #2 (Qty. 3), and #3

Square Recess bits included: #1, #2, and #3

TORX® bits included: T6, T7, T8, T10, T15, T20 and T25. TORX® is a registered trademark of Acument Intellectual Properties, LLC.

Slotted bits included: 3-4, 5-6, 6-8, 8-10, 10-12, 12-14 screw sizes

Clutch bits included: 5/32" and 3/16"

Includes 1/4" square to 1/4" hex adaptor to drive sockets.

Bits are compatible with 32473 and 70035 interchangeable bit screwdrivers.

Assembled in USA of US and imported components.
