Hi-Viz Diagonal-Cutting Pliers - High-Leverage

Cat. No. D200028GLW

Product Features

Glow in the dark grips to easily locate your tool in dark or low lit areas.

Grips charge in natural and artificial lighting.

Cuts ACSR, screws, nails, and most hardened wire.

High-leverage design. Rivet is closer to the cutting edge for 36% greater cutting and gripping power than other plier designs.

Short jaws and beveled cutting edges permit close cutting of wire, nails, and most hardened wire.

NOTE: Glow time and intensity may vary if charged in low light. Clean grips regularly to maintain glow brightness.
