Auto Ranging Multimeter

Cat. No. MM200

Product Features

Auto ranging voltage
Measures AC/DC Voltage - 600V (defaults to the AC voltage range)
Measures AC/DC Current- 10A
Measures capacitance, temperature and frequency
Capacitance 200 μ F
Temperature -4~1832 °F
Frequency 1MHz
Resistance Range 40M Ω
Audible continuity with loud buzzer
Data hold and range hold
Diode test
soft touch buttons
Lead storage
 μ A setting
Back light display

Specifications

Downloads

Included Accessories: test leads, battery, thermocouple

Depth: 1.75" (45 mm)

Batteries: 1 x 9V

Height: 5.75" (146 mm)

Weight (oz.): 8.2 oz (232.47 g)

Width: 2.75" (70 mm)

Safety Rating: CAT III (600V)
