KATAPULT® Coaxial Cable Stripper

Cat. No. VDV110-045

Product Features

Quick and easy RG6 coaxial cable stripping.
Compound action cable stripping: grip and strip via single action squeezing motion.
Precision, machined steel cutting blades cleanly and easily strip RG6 coaxial cable.
Tension loaded wire-grip gently holds the cable in place while retaining the cable geometry.
Recoil spring design returns tool to ready position upon cycle completion.
Yellow grips enhance comfort and visibility, and allow quick identification.
Additional precision machined steel cutting blades available. Katapult Wire Stripper-8-22 AWG (Cat. No. 11063) is also available.

This product is no longer in production.
