Commerical Specification Grade Switch, Ivory

CS20AC11

Commercial single pole switch in ivory with side wire, has a high strength thermoplastic polycarbonate toggle which resists to breaking and chipping under heavy abuse. The one-piece brass alloy contact arm allows for reliable electrical performance. Also, the one-piece steel strap with integral ground is plated for corrosion resistance. Its heavy-duty toggle bumpers give it a smooth and quiet operation. Its back body is made of glass-reinforced nylon. Its locking support provide resistance to face and back body separation. 20amp 120/277volt.
