- RESOURCES

features & benefits

- Self-contained power supply relay system.
- Efficient switching power supply providing optimized current output based on number of sensors.
- 1/2" snap-in nipple attaches to standard electrical enclosures through 1/2" knock outs providing easy installation.
- UL 2043 plenum rated for cost-effective installation.
- LED indicates status of relay or if there is a low-voltage overcurrent.
- Constructed with environmentally friendly materials and is RoHS-compliant.
