Dimmers

UPC Code: 07847703099

Country of Origin: Mexico - **Eligible for ARRA funded projects > \$7,443,000*

Brand Features

Leviton Renoir rugged, full-range Architectural Specification Grade dimmers are designed for high-power loads (800W, 1000W, 1500W and 2000W) in a wide variety of commercial applications. Renoir is a preset Decora-style slide dimmer. These devices feature classic architectural fin design with screwless Snap-On covers and they are available for incandescent, magnetic low-voltage and fluorescent lighting control. An excellent energy-saving solution for large living areas with groups of recessed incandescent lighting fixtures. Ideal for Chandeliers and Track Lighting.

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
