

CA100

Pin and Sleeve Devices - IEC 60309

Brand Features

Leviton's pin and sleeve devices are easy to use. Matching amperage and voltage requirements is literally as easy as matching colors and telling time. The amperage rating is related to the size of the device; devices of the same amperage are the same size. The voltage rating is related to the location of the ground sleeve on the female device and the number of conductors. This location is based on a clock face with the key-way at the 6 o'clock position. The ground sleeve is positioned at a specific hour location, depending on the device's voltage rating.

Item Description

Closure Cover for Pin & Sleeve Receptacles and Connectors, 100 Amp, 3, 4, 5-Wire, IP67, Watertight - Gray

Technical Information

Product Features

Accessory Type: Closure Cover

Device Type: Receptacles and Connectors

Amperage: 100 Amp

Wire: 3, 4, 5-Wire

IP Rating: IP67, Watertight

Material: Valox 357

Color: Gray

Color:

Gray

UPC Code: 07847701616

Country of Origin: Please Contact Customer Service
