Watertight Wiring Devices

Brand Features

Leviton's Wetguard line of industrial watertight wiring devices are the most versatile, well-engineered watertight devices on the market. They meet IP67 and NEMA ratings for water ingress protection, and offer many significant advantages over competitive brands. Standard color options include yellow and gray with black available upon special request.

Item Description

FD Box, Single-Gang, 26.0 Cubic Inch Capacity, 1" unthreaded conduit openings with reducers for 3/4" and 1/2" conduit , includes plugs for unused openings and stainless steel device mounting plate with ground wire, industrial grade - GRAY
