HEAD PROTECTION**

VANTIS SERIES

TYPE 1 CLASS E, G, C HARD HATS

CLASS E & G

CLASS C

ALL LIFT VANTIS HARD HATS MEET ANSI Z89.1-2009 REQUIREMENTS FOR TYPE 1 CLASS E, G, & C

ANSI/ISEA Z89.1-2009 Type 1 for top protection which is also tested for impact attenuation and penetration resistance.

The three classes indicate the helmets electrical insulation rating. Class G (general) helmets are tested at 2200 volts, Class E (electrical) are tested to withstand 20,000 volts, and Class C (conductive) provide no electrical protection.

LIFT Hard Hats come with either top helmet air vents or no air vents. Open air vents or VENTED allow additional air-flow within the hard hat and provide more comfort for workers in hot working conditions .

Hard hats with no open air vent or NON-VENTED comply with the ANSI standards for Class G, E certification.

VANTIS FULL

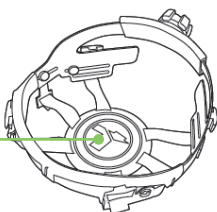

VANTIS STANDARD

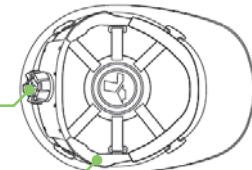

SPECS / FEATURES

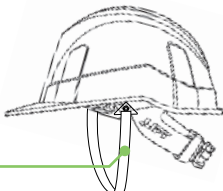

Perforated Clarino® synthetic leather with comfort molded EVA Foam insert for additional shock absorbing protection

Large oversized ratchet knob to adjust size, easy to grip and use with gloves on

Moisture wicking foam backed micro-fiber liner reduces sweat build-up

Adjustable chin strap for secure fit and increased protection

TECHNICAL DATA

MATERIAL:

- Shell:** HDPE
- Webbing:** High tensile strength nylon webbing
- Harness:** PPCP (Polypropylene Copolymer) with microfiber foam backed padding
- Color:** White, Yellow, Orange, Grey, Red
- Construction:** Hard Shell with 6 Point Suspension System

- Strap:** Adjustable Chin Strap
- Available Sizes:** One Size Fits All
- Packaging:** Poly Bag, Header Card attached to helmet
- Pack Qty:** Master Carton = 30 / Inner Pack = 1 x 30

STANDARD BRIM

- Product Weight:** 0.95 lbs
- Product Dimensions:** 11 1/2 X 8 1/2 X 6 (HxWxD)
- Master Carton Qty:** 30
- Master Carton Weight:** 32 LBS
- Master Carton Dimensions:** 22 X 19 X 27 (HxWxD)

FULL BRIM

- Product Weight:** 1 LB
- Product Dimensions:** 12 1/2 X 11 X 7 (HxWxD)
- Master Carton Qty =** 30
- Master Carton Weight:** 34 LBS
- Master Carton Dimensions:** 23 X 22 X26 (HxWxD)

CUSTOM LOGO APPLICATION

Add a professional and unique look to your crew with our custom applications:

- Basic Logo:
- + Die-Cut Decal (Single & multi-color)

- Or more advanced with our Dimensional Logos:
- + TPR (Rubber)
- + Epoxy Gel Domes
- + Metal Appliqué

Minimum quantities do apply, ask your rep for details.
