

# SBP Series Back Panels

*Steel and Wood Options*

### Application

- For use in electrical enclosures for mounting electronic controls and equipment.

### Construction

- Steel panels are 16 or 12 **G90** gauge steel and have a white finish.
- Wood back panels are made from  $\frac{3}{4}$ -inch 7-ply plywood.
- Panel mounting hardware is furnished with all enclosures that accept these panels.
- No mounting holes in boards

### Finish

- Painted white (steel)
- Unpainted (wood)

### Accessories

- Touch-up paint: see pg. 78.
