PVC Shear Blade 48-44-0400

0.0 **Be the first to Write a Review**

The Milwaukee PVC Shear blade is made from rust resistant stainless steel for extended blade life. The reinforced cutting edge reduces blade chipping for extended durability and the pierce point design maintains a sharp cutting surface for maximum speed. The PVC Shear is designed to cut PVC, CPVC, PEX, non-metallic conduit and rubber hose. (Bowtie connection compatible only with the M12™ PVC Shear Tool)

Includes

(1) PVC Shear Blade

FEATURES

Reinforced cutting edge reduces blade chipping for extended durability.

Pierce point design maintains a sharp cutting surface for maximum speed.

Stainless steel resists rust for extended blade life.

SPECIFICATIONS

Blade Dimensions	4"x2.5"x0.149"
