M12™ Cordless ProPEX® Expansion Tool (Bare Tool)

2432-20

WHAT'S INCLUDED

(1) M12™ Cordless ProPEX® Expansion Tool (Bare Tool) (2432-20)

PRODUCT DETAILS

The M12™ Cordless LITHIUM-ION ProPEX® Expansion Tool features an auto-rotating head for convenient one-handed operation. A compact right angle design makes installing tubing in tight locations fast and easy, and the quick cam mechanism delivers precise, continuous expansion for 3/8" to 1" ProPEX connections. Designed specifically for Uponor ProPEX, the M12 ProPEX Expansion tool is built to make effortless installations faster than other tools available.
