Battery Warranty	2 Year
Length	9 3/4"
Weight	1.3 lbs
No Load RPM	5,000-32,000
Charge Time	30 Minutes
Tool Warranty	5 Years

OVERVIEW

This compact, portable and powerful cutoff solution for the professional offers up to 10X longer life and 10% more speed. Get the power of a corded rotary tool in the M12™ Cordless Rotary Tool, which integrates high-performance motor design, optimized electronics and REDLITHIUM™ battery technology for exceptional power and durability. This compact, versatile tool offers a variable-speed of 5,000-32,000 RPM and a collet that's compatible with all 1/32" - 1/8" shank accessories for thousands of

cutting, grinding, sanding and polishing solutions. Maintenance contractors, electricians, plumbers and automotive mechanics will find it indispensable for close-quarter cutoff and grinding applications.

A variable-speed dial offers fluid control, and the 1.3-pound weight permits hours of comfortable use. Grinder-style exhaust ports and front-bearing protection help this tool exceed performance and endurance expectations. The kit includes one M12 REDLITHIUM battery, a 30-minute charger, five cutting wheels, a mandrel and a wrench.
