

Single Gang LV Bracket w/Nail New Cont (M24)

AC1009-01

Designed for use with single gang openings for products such as Keystone wall plate outlets and volume controls. Features an open back and an integrated cable management system for easy cable connections.

features & benefits

Spacious opening accommodates large devices and facilitates wiring process.
Reliable, side stabilizer tabs keep it aligned with the stud.
Green color easily distinguishes openings for low voltage products.
Rigid plastic retains shape for ease of alignment during installation.
Heavy, continuous nail guides.
