Class 0 Electrical Insulating Rubber Gloves

Class 0 Electrical Insulating Rubber Gloves are available in 11 and 14 inch lengths. The gloves are available in red (as shown here), black, yellow, and contrasting black/yellow colors in Type I Natural Rubber. The contrast between the outer yellow color against the inner black color makes inspecting for cuts and tears easier when the glove is inflated or stretched. These gloves are also available in blue or contrasting blue/orange colors Type II SALCOR rubber.
