

# Motion control

## Lexium integrated drives

Accessories for ILA, ILE and ILS integrated drives

Power cordsets VW3L30001R●●

Connector for Safe Torque Off signals VW3L50010

Set of connectors for I/O signals VW3L50200

Set of connectors for EtherCAT bus VW3L5E000

Connector for DeviceNet bus VW3L5D000

### Accessories for integrated drives with industrial connectors (continued)

Description	Length m	Reference	Weight kg
<b>Power cordsets</b>			
Preassembled cordsets with:	3	VW3L30001R30	–
■ Integrated drive end: 1 connector for power supply	5	VW3L30001R50	–
■ Other end: flying leads	10	VW3L30001R100	–
DESINA compliant	15	VW3L30001R150	–
	20	VW3L30001R200	–

### Connector for Safe Torque Off signals

Connector, M8 round (4-way) for creating cordsets for Safe Torque Off signals	VW3L50010	–
--	-----------	---

### Set of 2 connectors for I/O signals

Set consisting of:	VW3L50200	–
■ Two M8 round connectors (3-way)		

### Set of 3 connectors for I/O signals

Set consisting of:	VW3L50300	–
■ Three M8 round connectors (3-way)		

### Set of CANopen/RS 485 connectors for IL●1 integrated drives

Set consisting of:	VW3L5F000	–
■ One M12 round male connector (A-coded)		
■ One M12 round female connector (A-coded)		
■ One M12 blanking plug		

### Set of PROFIBUS DP connectors for IL●1 integrated drives

Set consisting of:	VW3L5B000	–
■ One M12 round male connector (B-coded)		
■ One M12 round female connector (B-coded)		
■ One M12 blanking plug		

### Set of EtherCAT connectors

Set consisting of:	VW3L5E000	–
■ Two M12 round male connectors (4-way), (D-coded)		
■ One M12 blanking plug		

### Set of EtherNet/IP connectors

Set consisting of:	VW3L5K000	–
■ Two M12 round male connectors (4-way), (D-coded)		
■ One M12 blanking plug		

### Set of Ethernet POWERLINK connectors

Set consisting of:	VW3L5P000	–
■ Two M12 round male connectors (4-way), (D-coded)		
■ One M12 blanking plug		

### DeviceNet connector

Female connector, M12 DeviceNet (5-way), (A-coded)	VW3L5D000	–
--	-----------	---

### Modbus TCP connector

Female connector, M12 Modbus TCP (4-way), (D-coded)	VW3L5T000	–
---	-----------	---
