Ambiance® Lx Lite - Flexible LED Tape Collection:

Ambiance® Lx Lite Flexible LED Tape Lighting by Sea Gull Lighting provides a versatile and affordable solution for beautifully efficient cabinet and cove lighting. Its ultra-low profile (1/8" H x 3/8" W) can be hidden into any space, so the light is seen and nothing else. Plus with a wide range of lengths and molded connectors available, cornering and curves are easy to achieve. Ambiance® Lx Lite has the look, feel and performance of conventional linear lighting, while reducing energy and operating costs by up to 90%. With its advanced LED technology, Ambiance® Lx Lite lasts 40,000 hours, is dimmable and improves visibility and brightness over traditional light sources. Installation is just as easy and versatile. Ambiance® Lx Lite can be secured to cabinets and coves using the 3M construction adhesive backing for fast, permanent installation. For jobs requiring added security, mounting clips for the flexible strips and connector cords are included. Ambiance® Lx Lite is the flexible, high performance LED tape lighting system of choice for a variety of applications.
