ROTO-FLEX RF-120A GREENFIELD CUTTER

With New Ergonomic Handle & Blade Storage Cartridge

- This tool works on the same principle as the Roto-Split "Super" but accepts 1/2" and 3/4" Greenfield/Flex & large size BX & MC up to 4/3.
- Now features **quick clamping and release** of the cable.
- A few turns of the crank produces a slit through the armor casing which can then be separated easily.
- Clean cut parallel to the cable axis eliminates deburring.
