**Fair alternative to alkaline**

January 31, 2014

This battery is a fair alternative to alkaline. Pretty good battery.

L Cole

Yes, I recommend this product.

**Great product**

September 3, 2013

I ordered these batteries for an old lantern I had on the farm. They worked perfectly and now the lantern is ready for any power outages. They arrived very quickly and well packaged. I would not only recommend these batteries but also buying from Rayovac!
