C411200 6' DeCoil Twinleg Lanyard (DCELL Shock Pack, 1" Web, Snaphook, Rebar Hook)

Werner DeCoil lanyards feature the DCELL Shock Pack, a deceleration device designed for controlled tearing action to reduce fall arrest force. Unique wear indicating polyester webbing allows for easy inspection and provides durability that will last. The BigHead Safety Hook is designed to prevent false engagement. Twin leg design for 100% tie-off, allowing the user to safely move from one location to another.
