Fluke CNX™ C3002 Modular DMM 2-Compartment Soft Case

Overview:

The **CNX C3002 Modular DMM 2-Compartment Soft Case** is as versatile as the CNX wireless test tool team. This carrying case can work alone, holding the CNX Wireless Multimeter and test leads, or can be attached to the [CNX C3000 Premium Modular Tool Bag](#). Your CNX tools are always within easy reach, ready for testing.
