Description

This recall involves CXB Series LED high-bay indoor light fixtures with model numbers CXB-23L-40K-U-1-HC and CXB-23L-40K-U-1-JP. The light fixtures are used in airport, industrial, municipal, and retailer settings, are silver colored, have a tempered glass lens and measure about 16 inches x 18 inches x 7 inches. The affected products can be identified by the manufacturing lot number found underneath the UPC label on the rim of the fixture. Only products with a manufacturing lot number starting with the following codes are included in this recall:

AG45, AG48, AG49, AG50, AG51, AG52

AH01, AH02, AH03, AH04, AH05, AH06, AH07, AH08, AH09, AH10, AH11, AH12,

AH13, AH14, AH15, AH16, AH17, AH18

L1H01, L1H02, L1H03, L1H04, L1H05, L1H06, L1H07, L1H08, L1H09, L1H10,

L1H11, L1H12, L1H13, L1H14, L1H15, L1H16, L1H17, L1H18

The Cree logo, model number and 23000 lumens are printed on UL label on the rim of the fixture.

Incidents/Injuries

The firm has received 15 reports of the tempered glass lens breaking. No injuries have been reported.

Remedy

Stop using the light fixtures immediately and contact Cree for free replacements. Cree is contacting purchasers directly.

Sold at

Wholesale electrical distributors and lighting contractors to businesses from January 2014 through April 2014 for approximately \$350.

Importer

Cree Inc., of Durham, N.C.

Manufactured in

China

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of injury or death associated with the use of thousands of types of consumer products under the agency's jurisdiction. Deaths, injuries, and property damage from consumer product incidents cost the nation more than \$1 trillion annually. CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical or mechanical hazard. CPSC's work to help ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters and household chemicals -- contributed to a decline in the rate of deaths and injuries associated with consumer products over the past 40 years.

Federal law bars any person from selling products subject to a publicly-announced voluntary recall by a manufacturer or a mandatory recall ordered by the Commission.

To report a dangerous product or a product-related injury go online to www.SaferProducts.gov or call CPSC's Hotline at (800) 638-2772 or teletypewriter at (301) 595-7054 for the hearing impaired. Consumers can obtain news release and recall information at www.cpsc.gov, on Twitter [@USCPSC](https://twitter.com/USCPSC) or by subscribing to CPSC's [free e-mail newsletters](#).
