At Progress Lighting, we strive to maintain complete customer satisfaction. It is important to us that we continue our standing as a manufacturer of high quality, safe lighting products. The cable has a potential to fail resulting in a risk of the fixture falling. This could result in injury to nearby persons.

Progress Lighting will provide replacement fixtures for all affected fixtures sold after January 1 2005.

For further information all Candace Banks at (877) 369-4548 or e-mail at cabanks@progresslighting.com

In cooperation with the U.S. Consumer Product Safety Commission.

Post through August 31, 2008
